I. OVERVIEW

DUDLEY CARD AMENDMENT
Public Meeting

August 30, 1989

Amended Boundaries

The two major project areas proposed to be included in the Dudley CARD area are the Parcel 18 Mixed Use Development Project, known as Ruggles Center which is adjacent to the new Ruggles Street Station, and Parcel P-3 along Tremont Street for which the National Center of Afro-American Artists has been designated as co-redeveloper.

Rationale for Amendment

Parcels P-3 and 18 are significant areas of land on major rail and street transportation corridors near the Dudley Station commercial area. These parcels offer prime opportunities for new commercial development to spur further neighborhood economic expansion and provide new job opportunities not only to the Dudley Station merchants and residents, but to the Roxbury community. The development programs proposed for both Parcels 18 and P-3 do not compete with or duplicate the neighborhood commercial activities in the Dudley Station area since both development parcels are office oriented with floor plates designed to accommodate large tenants, and with ancillary retail.

Benefit to Existing CARD

This type of economic growth is vital in stabilizing the economic health of the Dudley Station area and in promoting a positive climate for commercial reinvestment in the Dudley area. These development activities are consistent with the City policy of redirecting growth from the Downtown area into disadvantaged neighborhoods such as Roxbury and the Dudley Station area in order to promote the expansion of economic opportunities. Major new economic growth and job creation are essential before a more positive reinvestment attitude can be generated for the Dudley Station area. Ruggles Center and P-3 provide the beginning of a broader economic development strategy which will promote this reinvestment.

Expansion of Community Benefits

The community benefits from Ruggles Center in terms of new jobs and job training, development of minority business enterprises, housing linkage, child care, and the formation of a Community Development Fund will be significant in promoting economic growth and community improvement in Roxbury. These community benefits will be important to the residents and merchants of the Dudley Station area, as well as the entire Roxbury community. Considerable community and business participation will result in establishing the priorities for the community benefits package, and in directing funds and programs to the Dudley Station commercial area as appropriate.

Dudley Station business interests are represented by the two major groups who have been involved with the planning of Ruggles Center and Parcel P-3 -- the Parcel 18+ Task Force and the Parcel P-3 Project Review Committee. Letters of support have been forwarded to EOCD. Additional letters of support are included in section V of this package.

Implementing Agency

For nearly 5 years, the City, State and MBTA have collaborated with the community to promote the development of the Southwest Corridor and the Dudley Business District. The Public Facilities Department (PFD) is the City's implementing agency for neighborhood CARD plans including the existing and proposed amendment to the Dudley Station CARD. The BRA and PFD work together jointly on many issues and community development programs as part of our interagency cooperation. The BRA will remain the development agency for projects on Ruggles Center and P-3 within the amended Dudley Station CARD. PFD will continue to administer the CARD.

Additional Information

Included in this package is a series of maps which illustrate the (i) existing Dudley Station approved CARD area and proposed boundary changes; (ii) land uses in the existing CARD area and amended area; and (iii) the existing zoning in the areas proposed to be included within the Roxbury Dudley CARD. Also attached is a detailed description of the CARD program plus a Fact Sheet on both Ruggles Center and Parcel P-3 with relevant Site Plans.

II. CARD PROGRAM

COMMERCIAL AREA REVITALIZATION DISTRICT PROGRAM (CARD)

Program Summary:

- The CARD program makes certain commercial and mixed use development projects -- within specified areas - eligible for below market rate financing from the Massachusetts Industrial Financial Agency.
- MIFA financing is provided through Industrial Development Bonds (IDB) in two forms:

1. Tax-Exempt Bonds

- The tax reform of 1986 severely reduced the volume of tax-exempt IDB financing, and in 1988/89 it was further cut by 50%.
 - As a result, eligibility for tax-exempt bond financing through the CARD program is now restricted to:
 - a) Non-profit organizations engaged in cultural or educational activities.
- Commercial real-estate, warehousing and distribution activities are no longer eligible.
- It is important to note that non-profit organizations need not be in a CARD to be eligible for tax-exempt financing for their cultural and educational activities. However, other non-profits must be in a currently approved CARD in order to be eligible.

2. Taxable Bonds

- The Taxable IDB Program was introduced in 1987, as an alternative to tax-exempt funding for commercial and industrial projects.
- While the bonds are subject to federal income tax, they still provide the borrower with capital at a below-market interest rate.
- Taxable bonds can be used to finance a wide range of development projects. Industrial, commercial, warehousing and distribution projects-no longer eligible for tax-exempt financing - are all eligible for finance through taxable bonds.
- Potential recipients of taxable bonds financing can apply direct to MIFA, where the terms are arranged on a case by case basis. Project do not have to be in a CARD to qualify for this program.
- The program is suited for commercial projects of less than \$1,000,000. The average MIFA financing is about \$1 to \$1.5 million.
- The new limits on the use of tax-exempt financing and new regs on the use of CARDS makes the district less important

- a) Non-profit activities that are still eligible for tax exempt financing, can be approved outside of a CARD; only if cultural or educational activities.
- b) Other commercial and industrial developers - eligible for taxable bonds - can apply directly to MIFA for financing even if they are not in a CARD (Taxable Bonds program, Guaranteed Loan Program, Provider's Lease Program, and Child Care Facilities Loan Fund).

OFF-STREET PARKING PROGRAM: A state program which finances 75% of project cost. It is funded through non-taxable bonds, so the interest rate is below market. The program can be used to develop new parking lots or expand old ones. The project has to be located within a CARD to be eligible, it also has to have some economic development aspects.

MIFA PROGRAMS: MIFA funds a number of programs; through tax-exempt as well as taxable bonds. Potential applicants can apply directly to MIFA, even if they are not located within a CARD.

Massachusetts Industrial Finance Agency

Program Listing

The Massachusetts Industrial Finance Agency (MIFA) is an independent public agency established to stimulate private investment and job creation through a variety of financing incentives. The goal of MIFA's programs is to assist Massachusetts businesses in financing their capital expansions.

Taxable Industrial Development Bond Program

Taxable IDBs provide low rate capital for a wide range of industrial expansion projects - including manufacturing, warehouse and distribution, R&D - and commercial real estate projects. They can also be used to refinance existing asset-based debt.

Tax-exempt Industrial Development Bond Program

Tax-exempt IDB's are available to manufacturers seeking lower interest rate capital for eligible expansion projects. Available is limited.

Guaranteed Loan Program (GLP)

The GLP provides access to the public credit market for smaller growing, companies - a source usually available only to larger corporations - by pooling IDBs into one large bond issue to get long-term, fixed rate capital.

Mortgage Insurance Program (MIP)

The MIP helps smaller businesses obtain the full amount of the expansion capital they need. With MIFA issuing a portion of the loan, a company can borrow more through either conventional sources or IDB financing.

Current Refunding Program (CRP)*

The CRP enables past IDB recipients affected by interest rate "gross-up" clauses to refund their previous bond through a new tax-exempt issue. Bonds without the clause are also eligible for refunding.

Seafood Loan Fund*

The Seafood Fund provides seafood processing companies with affordable fixed rate direct loans to finance innovation and modernization in plant and equipment.

Child Care Facilities Loan Fund*

The Child Care Fund provides affordable loans to businesses and non-profit organizations to develop on-site corporate child care facilities.

The Thrift Fund

The Thrift Fund offers access to a \$100 million pool of capital to companies that are unable to obtain financing conventionally. MIFA handles loans over \$250,000 for industrial facilities and equipment.

* Not CARD programs.

III. RUGGLES CENTER FACT SHEET

FACT SHEET
RUGGLES CENTER

DEVELOPMENT TEAM

Developer: Ruggles Bedford Joint Venture;
General Partners: Metropolitan Structures
Columbia Plaza Associates, and Metropolitan
Columbia Plaza Venture

Architects: Stull and Lee, Inc., Architects

Counsel: Hale & Dorr; Budd, Wiley, & Richlin; William
Chin

PARCEL DESCRIPTION

Location: The site, Parcel 18, is the largest parcel
from the Southwest Corridor Project. It is
bounded by Melnea Cass Blvd., Tremont and
Ruggles Streets.

Size: 5.1 acres of land.

PROPOSAL

Construction of a mixed-use development containing up to
three office buildings, a hotel, a parking space, retail
space and possible child care facilities. A central plaza
will be the focal point of Ruggles Center with a variety of
retail uses and building lobbies opening onto the plaza.

	<u>Phase I</u>	<u>Master Plan</u>
Height:	178 feet	178 feet

Program:

Office:		515,000 GSF	
Hotel	(199 rooms)	182,500 GSF	
Retail		25,000 GSF	
Parking		230,000 GSF	642-690 spaces
Child Care:	(On-site or Off-site)	100 slots	

FAR:	3.7	5.5
------	-----	-----

COST

Estimated Total Development Cost: \$275 Million

SCHEDULE

Phase I Estimated Start:	1st Quarter 1990
Phase I Estimated Completion:	1st Quarter 1992
Phase II Estimated Start:	1st Quarter 1991
Phase II Estimated Completion:	1st Quarter 1993
Phase III Estimated Start:	1st quarter 1992
Phase III Estimated Completion:	1st Quarter 1994
Phase IV Estimated Start:	1st Quarter 1992
Phase IV Estimated Completion:	1st Quarter 1994

BENEFITS

Construction Jobs: 2000 employees (estimated)
Permanent Jobs: 4000 employees (estimated)

Childcare: 100-slot childcare facility on-site or off-site

Housing Linkage: \$4.5 million for Affordable Housing in
Roxbury and Chinatown.

Jobs Linkage: \$900,000

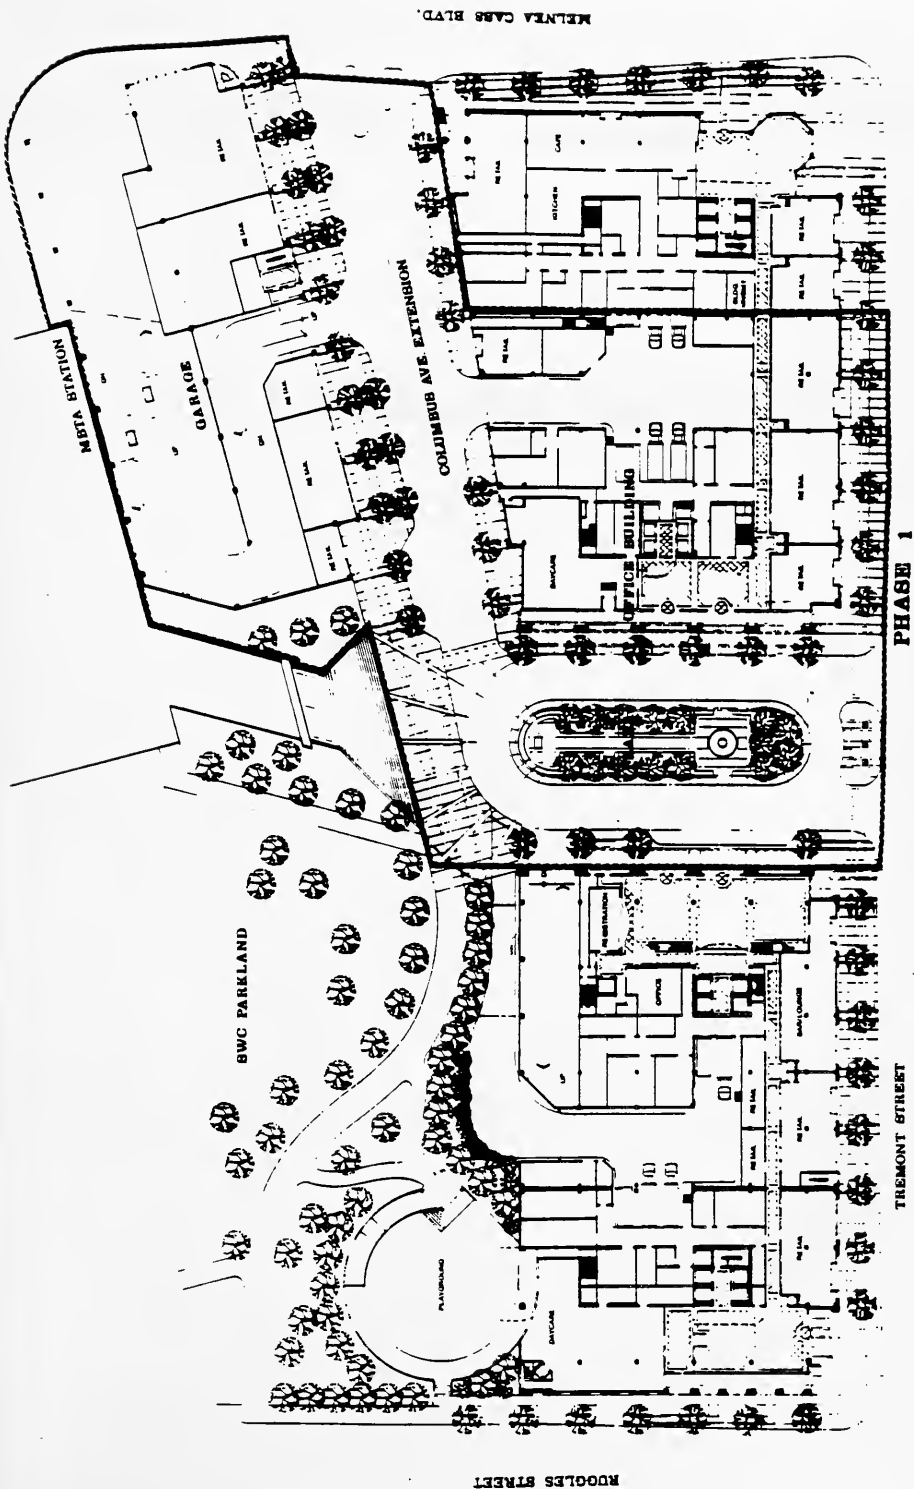

Annual Taxes: \$1.5 - 1.7 million in new real estate
property taxes

Other: Community Development Fund;
Neighborhood Business Opportunities;
Challenge Grant for Real Estate Training;
Community Grants

ZONING

The site of Ruggles Center and the proposed phase development sequence necessitates the establishment of an approved Master Plan in order to ensure commitment to all elements of Ruggles Center and to ensure an orderly basis for proceeding with development pursuant to one or more development plans following master plan approval for the site.

Specific zoning exception will be sought in the Development Plan submitted to the Authority and the City on this date for Phase I and in one or more subsequent development plans for additional phases following Master Plan approval.

IV. PARCEL P-3 FACT SHEET

PARCEL P-3
PROJECT FACT SHEET

1. PROJECT NAME OR PARCEL:
Parcel P-3/Campus High School Urban Renewal Project
2. Proposal:
To support the arts community in Boston, the National Center of Afro-American Artists (NCAAA) has been awarded tentative designation to act as equity partner in the development of Parcel P-3. A development partner for the NCAAA will be selected through a competition. Under the proposed co-developer scenario, the Parcel P-3 development will provide initial funding for rehabilitation and expansion of the various NCAAA facilities, which include the Elma Lewis School of Fine Arts, the NCAAA Museum, a Performing Arts Center at Elm Hill and Seaver Streets, and the historic Playhouse in Franklin Park.
3. SITE LOCATION:
Parcel P-3, Tremont and Whittier Streets, Roxbury, Campus High School Urban Renewal Project
4. PARCEL DESCRIPTION:
295,260 square feet (6.78 acres), primarily vacant, site owned by BRA; two tenants -- Whittier Street Neighborhood Health Center and Connolly's Tavern.
5. PREVIOUS BOARD ACTIONS:
Tentative Designation, National Center of Afro-American Artists as co-redeveloper; authorization to execute Memorandum of Understanding with Parcel 18+ Task Force, RNC and NCAAA to establish P-3 Project Review Committee -- June 9, 1988.
6. DEVELOPMENT PROGRAM:
Consultants to BRA and NCAAA have suggested a development program consisting of:

Phase I	365,000 SF office
	31,000 SF retail
	<u>430</u> surface parking spaces
	396,000 SF total Phase I
Phase II	264,000 SF office
	<u>140,000</u> SF (structured parking for 430 cars)
	404,000 SF total Phase II
7. TOTAL DEVELOPMENT COSTS:
Consultants have estimated up to \$125 million for total of 800,000 sq. ft. of retail and office space.
8. ZONING:
Parcel P-3 is located within the Roxbury IPOD-future zoning under study.

Boston, MA 02202

Dear Secretary Anthony:

This letter comes to you in support of the Boston Redevelopment Authority's proposal to extend the boundaries of the Dudley Station Commercial Area Revitalization District (CARD) plan to include Parcel 18. The Parcel 18 revitalization corridor, to be called the Parcel 18+ Corridor, runs along the Columbus/Tremont Corridor and is located at the intersection of Ruggles and Tremont Streets.

The development of this area will serve to enhance Roxbury's economic base in addition to realizing equity opportunities for community residents and businesses, contributing to the provision of new housing, jobs and job training, business opportunities and providing resources for community development.

I strongly encourage the approval of the City's request to amend the Dudley Station CARD to provide for the Parcel 18+ Corridor CARD.

Sincerely,

Charles C. Yancey

Dear Secretary Anthony:

Please accept this letter as evidence of my support for the Boston Redevelopment Authority proposal to amend the Dudley Station Commercial Area Revitalization District (CARD) to include Parcel 18.

Development in this area will serve to revitalize the community by providing resources and opportunities for Roxbury residents. I support this proposal without reservation and encourage your approval.

If I can be of any further assistance, please do not hesitate to contact my office.

Sincerely,

Bruce C. Bolling

Re: Extension of the Dudley Card District

Ms. Anthony;

On behalf of the Parcel 18+ Task Force and the Communities we represent, we support the extension of the Dudley CARD to include Parcel 18 (Ruggles Center) and Parcel 3.

This extension will undoubtedly afford the two parcels and their respective development the needed support of financial assistance for parking facilities. The Ruggles Center site is envisioned as a lively site with people moving in and out of the site by vehicles as well as pedestrian foot traffic. People will need to get to the new Orange Line, the Commuter Rail System, the MBTA, the buildings and retail space and the South West Corridor Parkland. The availability of a parking structure on the site will greatly increase the accessibility of people coming and going to patronize the establishments and businesses on the site.

This will greatly assist in the revitalization of the Roxbury community both economically and aesthetically.

We urge your support for a favorable vote of the extension of the Dudley CARD District to include Parcels 18 and 3. We thank you for your support in this effort.

Respectfully yours,

Rev. Tony A. Bethel, Chair

Ms. Amy Anthony, Secretary
Executive Office of
Communities and Development
100 Cambridge Street
Boston MA, 02202

November 8, 1988

Dear Ms. Anthony:

As Chairman of the Parcel 18 + Task Force I am writing on the behalf of the group to express our support of the proposal to amend the Roxbury-Dudley Station CARD. This amendment would expand the boundaries of the existing CARD to include two major development opportunities: Parcel 18 at Ruggles Station and Parcel P-3 on Tremont Street.

Both of these projects offer major economic development opportunities which will benefit the Roxbury community and the Dudley Station commercial district. Together, the projects will attract nearly 1.5 million square feet of new office, retail, and commercial space and create over 6,000 new jobs. Such an economic stimulus will have a profound effect in reversing the disinvestment trends which has been experienced in the Dudley Station area.

As you may be aware, a partnership of Columbia Plaza Associates, a joint venture of Asian, Black and Hispanic Entrepreneurs, and Metropolitan Structures, has been designated as the developer. A package of community benefits are contained in this project, including the partnership's commitment to target half of the housing creation linkage from the development to help subsidize affordable housing in Roxbury.

Given the purposes of this development project, inclusion of Parcel 18 within the Roxbury-Dudley Station CARD could afford special funding and financial incentives which will be required to achieve our objectives.

On behalf of the Parcel 18+ Task Force, I urge you to approve the City's Request to amend the Roxbury-Dudley Station CARD.

Sincerely,

A handwritten signature in dark ink, appearing to read "Rev. Tony Bethel", with a long horizontal line extending to the right.

Rev. Tony Bethel
Chairman of the
Parcel 18+ Force

Dudley Square Merchants Association

P.O. BOX 185 • ROXBURY, MASS. 02119

RON GARRY, President

August 3, 1989

Ms. Amy Anthony, Secretary
Executive Office of
Communities and Development
100 Cambridge Street
Boston, MA. 02202

Dear Secretary Anthony:

As President of the Dudley Square Merchants Association (DSMA), I am writing to thank you for renewing your department's approval of the existing Dudley Station CARD and to express support for the proposal by the City of Boston to amend the boundary of the existing Dudley Station CARD to include the Parcel 18+ area.

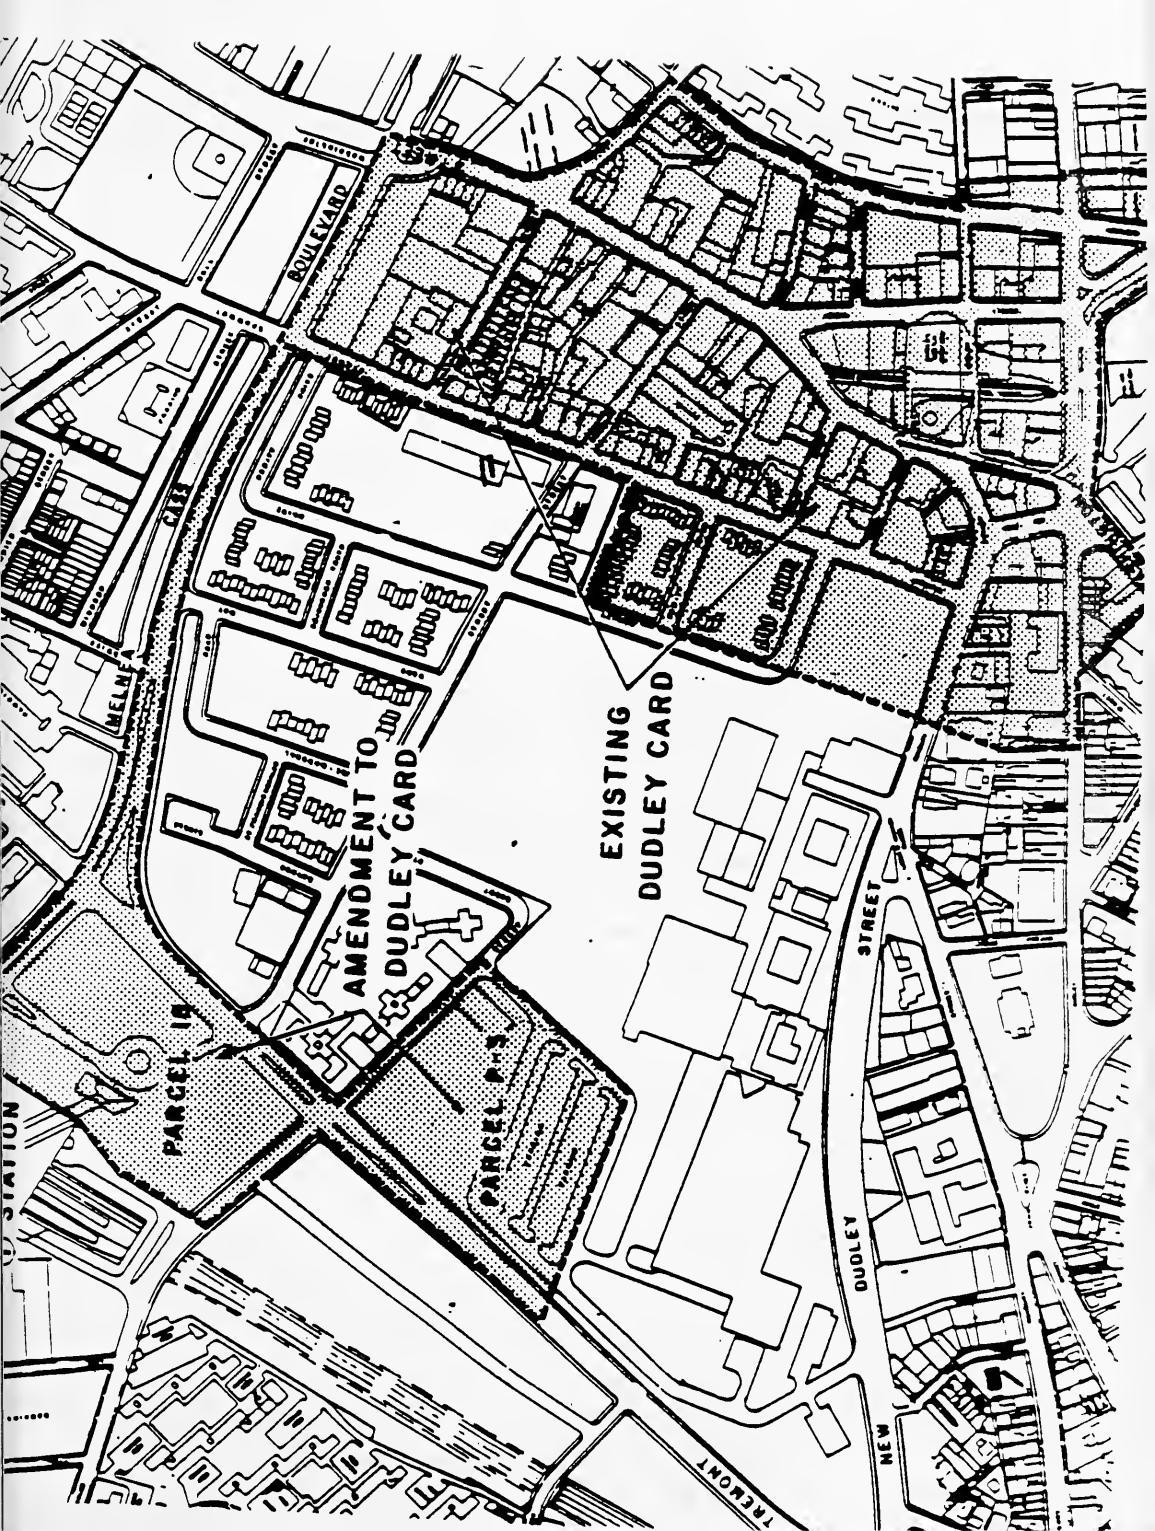

The anticipated development at Parcel 18 has received the unequivocal endorsement of the Roxbury community, not only because it represents the singularly largest private investment ever to be made in this community, but because it marks the beginning of a new era in the economic revival of Roxbury. An era exemplified by private initiative.

This "private initiative" also manifests itself in an unprecedented community based effort to rezone the neighborhood. Towards this end the Roxbury Neighborhood Council (RNC) and the DSMA are in the process of preparing a comprehensive plan to revitalize the existing Dudley Commercial District. This is a rare opportunity to coordinate our combined resources to ensure the realization of our mutual goal, the economic revitalization of the Dudley Station Commercial Area.

Therefore on behalf of the DSMA, I urge you to approve the City's request to amend the Dudley Station CARD as indicated on the attached map.

With a New Roxbury in Mind,

Ronn Garry, President
Dudley Square Merchants Association

August 31, 1989

Ms. Andrea d'Amato
Neighborhood Housing & Development
Boston Redevelopment Authority
Boston City Hall
Boston, MA 02201

Re: Amendment to Dudley Station CARD

Dear Ms. d'Amato:

Having attended last night's B.R.A. sponsored meeting on the above captioned proposal, and having been very satisfied with the presentation and the follow up responses to questions, I am only too happy to write in support of the amendment to the CARD to include Parcels P-3 and 18.

As a property owner in Dudley Square, I am convinced that not only will the extension of the CARD not adversely impact the financial resources available for the redevelopment of Dudley Square, but may actually serve to assist us in our efforts to achieve that end.

Good luck with your efforts to push this amendment through expeditiously. If I can be of any further help, do not hesitate to call me.

Sincerely,

Russell T. Britt
President

August 29, 1989

Ms. Amy Anthony, Secretary
Executive Office of Communities and Development
100 Cambridge Street
Boston, MA 02202

Dear Ms. Anthony:

As Chairman of the Board of Directors for the National Center of Afro-American Artists, I am writing to offer my strong support and encouragement for an amendment to the Roxbury-Dudley Station CARD to include Parcel 18 at Ruggles Station and Parcel P-3 on Tremont Street.

In my judgement, both Parcel 18 and Parcel P-3 are poised to provide an infusion of economic and social energy into the Greater Roxbury Community that is vital for the future health and stability of the community. For this reason alone, I believe you would be well advised and practicing sound public judgement in advancing the Roxbury-Dudley Station CARD amendment. I believe, moreover, that there is, additionally, an equally compelling reason why those of us in public administration must pay special attention and exert unrelenting leadership in insuring that our communities of color fully benefit from strategic investments of public resources. Clearly, in the case of Parcel-18 and P-3, the return on investment in terms of maintaining a progressive momentum toward change, as well as promoting and sustaining development in Roxbury, can best be achieved by supporting the Roxbury-Dudley CARD amendment.

With particular regard to P-3, the City, in what I consider one of its most innovative and constructive initiatives, designated the National Center of Afro-American Artists as co-developers for the parcel. In so doing, the NCAAAA can thus be linked with a major development team for the parcel. Such creative measures as this, consequently, can generate the resources necessary for the renovation, rehabilitation and expansion of teaching, exhibit and training facilities vital to the National Center and the City as a whole.

Let me close by saying that I have long supported the public agenda as articulated and advanced by Governor Dukakis. I believe, indeed, I know that he would want and expect that any opportunity which presented itself in which the public could reasonably assist in the development of Roxbury should be aggressively pursued. I strongly believe that you have a great opportunity to assist Roxbury by supporting the amendment to the Roxbury-Dudley Station CARD.

-2-

Should you have any reason to talk with me further on this matter, I can be reached at the University (929-7700).

Sincerely,

A handwritten signature in black ink, appearing to read 'Charles F. Desmond', with a long, sweeping horizontal stroke extending to the right.

August 29, 1989

Ms. Amy Anthony, Secretary
Executive Office of Communities and Development
100 Cambridge Street
Boston, MA 02202

Dear Ms. Anthony,

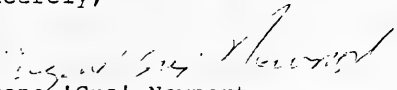

As Executive Director of the Dudley Street Neighborhood Initiative, I am writing on behalf of the organization to state our support of the proposal to amend the Roxbury-Dudley Station CARD. The proposed amendment will expand the area to include the Parcel 18 Mixed Use Development Project, known as Ruggles Center, which is adjacent to the new Ruggles Street Station and Parcel P-3 along Tremont Street.

The parcel offers prime opportunities for new commercial development to spur further neighborhood economic expansion and provide new job opportunities not only to the Dudley Station merchants and residents, but to the Roxbury community. The development programs proposed for both Parcels 18 and P-3 do not compete with or duplicate the neighborhood commercial activities in the Dudley Station area.

This type of economic growth is vital in stabilizing the economic health of the Dudley Station area and in promoting a positive climate for commercial reinvestment in the Dudley area. In addition, a partnership of Columbia Plaza Associates, a joint venture of Asian, Black and Hispanic entrepreneurs, and Metropolitan Structures has been designated as the developer.

On behalf of the Dudley Street Neighborhood Initiative, I urge you to approve the City's request to amend the Roxbury-Dudley Station CARD.

Sincerely,

Eugene 'Gus' Newport
Executive Director

Boston, MA 02202

Dear Secretary Anthony:

I am writing in support of the Boston Redevelopment Authority's proposal to amend the Dudley Station Commercial Area Revitalization District (CARD) to include Parcel 18.

I understand that the CARD designation of the Parcel 18 site will serve to enable the project access to necessary financial resources to assist with the construction of an above grade, off-street parking facility. Furthermore, the CARD designation will enable businesses operating at the site to access resources from State sponsored financial commercial revitalization programs.

I urge your support to accept the City's Dudley Station Card amendment. It should serve to facilitate this economic development success of Ruggles Center, the Dudley station area, and the abutting neighborhoods in Lower Roxbury and Mission Hill.

Yours truly,

Re: Dudley Station (Roxbury) Commercial Area Revitalization District (CARD)/
Proposed Amendment - Addition of Parcels 18 and P-3

Dear Secretary ~~Amy~~ Anthony:

Pursuant to the April 3, 1989 letter from James Malone of EOCD, describing the documentation and action required by the City in order to complete the application for the Dudley Station CARD Amendment, please find the enclosed response. This covers items # 9, 10, 11, 12 and 13, and represents completion of the required public hearings and legal procedures.

It is my understanding that in conjunction with my letter to you dated November 29, 1988, the Dudley CARD Amendment application is now complete; I hereby submit this documentation for your final approval.

Sincerely,

100 Cambridge Street
Boston, MA 02202

Dear Secretary Anthony:

I am delighted to express my support for the Boston Redevelopment Authority's proposal to amend the Dudley Station Commercial Area Revitalization District (CARD) to include Parcel 18.

The CARD designation of the Parcel 18 site will serve to enable the project access to necessary financial resources to assist with the construction of an above grade, off-street parking facility. In addition to providing access to capital resources, the CARD designation will enable businesses operating at the site to access resources which, if not for the CARD designation, would be excluded from State sponsored financial commercial revitalization programs.

I urge your support to accept the City's Dudley Station Card amendment. It will serve to facilitate economic development success of Ruggles Center and the Roxbury Community.

Respectfully,

Marvin E. Gilmore, Jr.

RE: Parcel 18/Commercial Area Revitalization
District Amendment

Dear Secretary Anthony:

Madison Park Development Corporation is pleased to submit a letter to you in support of the Boston Redevelopment Authority's proposal to extend the boundaries of the Dudley Station Commercial Revitalization District (CARD) plan to include Parcel 18. Parcel 18 is adjacent to the housing complex developed by us and known as Madison Park Village. We understand that the inclusion of Parcel 18 within the Dudley CARD could potentially increase the positive economic impact of Parcel 18 on the Lower Roxbury neighborhood and the larger Boston community.

I serve on the Parcel 18+ Task Force and have participated in many discussions surrounding the impact of Parcel 18's development on our community. My organization has concluded that this parcel-to-parcel linkage project could generate significant economic benefits for Roxbury and Chinatown residents. These benefits include jobs and job training, day care services, new housing, and additional resources for community economic development.

I urge you to approve the BRA's request to amend the Dudley Station CARD as proposed. Please feel free to contact me if you have any questions.

Sincerely,

Danette Jones
Executive Director

CONTRACTOR'S ASSOCIATION OF BOSTON, INC.

25 CENTRE STREET • ROXBURY MASSACHUSETTS 02119 • (617) 442-4680

August 29, 1989

Ms. Amy S. Anthony, Secretary
Executive Office of Community & Development
100 Cambridge Street
Boston, MA 02202

Dear Secretary Anthony:

This letter is to inform you of the support of the Contractor's Association of Boston, a minority trade association with over two hundred members and affiliates throughout the Commonwealth of Massachusetts, for the Metropolitan-Columbia Plaza Joint venture and their efforts to develop Parcel 18+.

We strongly believe that the designation of Parcel 18+ as a Commercial Area Revitalization District (C.A.R.D.) will be in the best interest to residents who reside in those neighborhoods adjacent to Parcel 18+. These neighborhoods include Chinatown, the Southend, Backbay, Roxbury and Mission Hill.

Obviously the designation of Parcel 18+ as a C.A.R.D. area will result in certain financial benefits for the joint venture developers such as securing the additional three million dollars that could be leveraged for the construction of a garage above grade.

This project will not only provide construction work to minority and women contractors in the area, it will also provide construction job opportunities to residents in those neighborhoods hardest hit by the slow down in the Massachusetts economy.

The communities will also benefit from permanent job opportunities, day care services and most importantly the project will serve as a beacon to the revitalization of lower Roxbury.

Therefore, our association is urging that you give every consideration to the designation of Parcel 18+ as a C.A.R.D. area.

Sincerely,

Walter E. Williams,
Executive Director

Dear Secretary Anthony:

This letter is to express the support of the Whittier Street Health Center for the Boston Redevelopment Authority's Proposal to amend the Dudley Station Commercial Area Revitalization District (CARD) to include Parcel 18.

As you know, the Parcel 18 Site is critical to the future economic development of Roxbury, providing equity opportunity for community residents and businesses, jobs and job training, new housing and other resources for community development.

As the CARD designation significantly enhances the feasibility of the Parcel 18 Development I would urge your support and approval of the City's Dudley Station CARD Amendment.

Sincerely,

Elmer K. Freeman

Re: Parcel 18

Dear Secretary Anthony:

I am delighted to express my support for the Boston Redevelopment Authority's proposal to amend the Dudley Station Commercial Area Revitalization District (CARD) to include Parcel 18.

The CARD designation of the Parcel 18 site will serve to enable the project access to necessary financial resources to assist with the construction of an above grade off-street parking facility. In addition to providing access to capital resources, the CARD designation will enable businesses operating at the site to access resources which, if not for the CARD designation, would be excluded from State sponsored financial commercial revitalization programs.

I urge your support to accept the City's Dudley Station CARD amendment. It will serve to facilitate economic development success of Ruggles Center and the Roxbury Community.

Very truly yours,

Dear Secretary Anthony:

As Executive Director of the Roxbury Multi-Service Center, I am writing in support of the Boston Redevelopment Authority's (BRA) proposal to extend the boundaries of the Dudley Station Commercial Area Revitalization District (CARD) plan to include Parcel 18. The Parcel 18 revitalization corridor, to be called the Parcel 18+ Corridor, runs along the Columbus/Tremont Corridor and is located at the intersection of Ruggles and Tremont Streets.

The development of this area will serve to enhance Roxbury's economic base in addition, to realizing equity opportunities for community residents and businesses, contributing to the provision of new housing, jobs and job training, business opportunities and providing resources for community development.

I, on behalf of the Roxbury Community, strongly encourages the approval of the City's request to amend the Dudley Station CARD to provide for the Parcel 18+ Corridor CARD.

Respectfully,

Shirley Carrington, M.S.W.

MASSACHUSETTS BAY TRANSPORTATION AUTHORITY
TRANSPORTATION BUILDING
10 PARK PLAZA
BOSTON, MASSACHUSETTS 02118-3833

NOTICE TO BIDDERS
Sealed bids for Contract No. CSCN23, MAKING AND PLATFORM IMPROVEMENTS, MISHAWA STATION, Woburn, Massachusetts, (Class 1 - General Transit Construction or Class 7 - Buildings, Project Value 13,000) will be received by the Assistant Director of Construction at the Contract Administration Office, 5th floor, Room 5810, Transportation Building, 10 Park Plaza, Boston, Massachusetts 02118-3833, until two o'clock (2:00 P.M.) on September 6, 1989. Immediately thereafter, in a designated room, the bids will be opened and read publicly.
The Project consists of the upgrading of the existing inbound and outbound commuter rail passenger platforms by extending the length of the platforms, construction of the high platform and ramps for the handicapped, signs, bilingual concrete pavement, drainage, signage, lighting, sidewalk, and fencing. The work also consists of the replacement of a culvert at Milepost 9.96 on the New Hampshire Mainline near Montvale Avenue, Woburn, MA.

Each prospective Bidder proposing to bid on this Project must be prequalified in accordance with the Authority's "Procedures Governing Classification and Rating of Prospective Bidders." Copies may be obtained from the Contract Administration Office at the above address. Requests for prequalification for this Project will not be accepted by the Authority after the tenth (10th) day preceding the date set for the opening of bids.

Prequalified Bidders may obtain from the Contract Administration Office a "Request for Bid Form" which must be properly filled out and submitted for approval. Bidding documents may be obtained from the Contract Administration Office at the address above from 8:30 A.M. to 4:00 P.M., Monday through Friday after August 16, 1989 at a charge of \$25.00 per set. The Authority's STANDARD SPECIFICATIONS, BIDDING AND CONTRACT REQUIREMENTS AND DIVISION 1 - GENERAL REQUIREMENTS, dated November 1983, is available at a charge of \$5.00 per copy. The Authority's STANDARD SPECIFICATIONS, CONSTRUCTION, dated January 1980, is available at a charge of \$15.00 per set. Bidding documents will be mailed by parcel post upon request and receipt of an additional fee of \$15.00, payable by separate check. If requested, documents will be forwarded by Air Freight, where such service is available, at the expense of the plan holder. NONE OF THESE CHARGES ARE REFUNDABLE.

Bidders' attention is directed to Appendix 1, Goals and Timetables for Female and Minority Participation in the Construction Industry; and to Appendix 2, Supplemental Equal Employment Opportunity, Anti-Discrimination, and Affirmative Action Program in the Specifications. In addition, pursuant to the Requirements of Appendix 3, Disadvantaged Business Enterprise (DBE) Participation Provision, Bidders must submit an assurance with their bids that they will make sufficient and reasonable efforts to meet the stated DBE goal of 16 percent.

Bidders will affirmatively ensure that in regard to any Contract entered into pursuant to this solicitation, minority and female construction contractors will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color, religion, sex, age, or national origin in consideration for an award.

Bidders will be required to comply with Federal Equal Employment Opportunity Regulations and the President's Executive Order No. 11246 and any amendments or supplements thereto.

Authorization for the bidders to view the site of the work on the MBTA property shall be obtained from the Office of the Project Manager, Barbara E. Smith, 21 Arlington Avenue, Charlestown, Massachusetts 02129, by August 17, 1989 at 10:00 A.M. A Public Conference will be held on August 23, 1989 at 10:00 A.M. at the above office. Any request for interpretation of Plans and Specifications should be submitted in writing at the same time.

For further information, contact the Office of the Project Manager at the above address.

RE: Dudley CARD Public Meeting Summary Report
DATE: August 31, 1989

Pursuant to the request from John Young, CARD Coordinator for the Executive Office of Communities & Development, a duly advertised public meeting was held at 6:30 PM @ 2406 Washington St., Roxbury, for the purpose of reviewing the boundary amendment request to the existing Dudley Sq. CARD District. Copies of the advertisement for the meeting, the agenda, materials handed out to attendees and the attendance sign-in sheet are attached as exhibits #1, #2, #3 and #4, respectively.

At the start of the meeting, several individuals approached staff and explained that due to scheduling conflicts, they had to attend another meeting regarding the South End Master Planning effort, and as a consequence they would not be able to stay for the duration of this meeting. Nevertheless, they wanted to deliver letters of support for the request to amend the CARD boundaries or to register their support for the proposal. The individuals, respectively delivering letters of support and registering their support for the proposal, included State Representative Byron Rushing (attachment #5) and Roxbury Neighborhood Council Member, Ricardo Quiroga.

Given the nature of this memorandum, I am forced to summarize the statements of those participants in the meeting who had something, in my opinion, significant to contribute to the general discussion; otherwise I would be forced to repeat what everyone had to say, no matter how repetitive. In the interest of brevity, I hope that you approve of this device.

After introductory remarks by Rebecca Black, Asst. Director of the Public Facilities Department, I gave an overview of the CARD amendment process mandated by EOCD. In my remarks, I explained that the source of the funds to construct the parking facility was from the State's "Off-Street Parking Fund" and that EOCD staff had requested this meeting because of their apprehension that the boundary change request would have a potentially negative impact on the revitalization of Dudley Sq. In their opinion our request constituted a major modification to the original Dudley Sq. CARD Plan.

I then asked for comments from those in attendance and recognized Mr. Russell Britt, Co-Chairperson of the Dudley Sq. Planning Advisory Committee.

Mr. Britt's comments were directed at the need to coordinate the planning and development needs of the Dudley Sq. Merchants Association with the various State and local agencies and he expressed some surprise that their were funds designed to construct "off-street parking facilities". If Dudley Sq. is to play a role as a major neighborhood commercial center, then the requisite public infrastructure must be in place to support this activity. Therefore, to the degree that Dudley Sq. had an off-street parking facility of its own, then it is rather obvious that any revitalization strategy would have a greater probability for success; and by the same token, the success of Ruggles Center was enhance the probability of Dudley SQ.'s success.

Implicit in Mr. Britt's observations was the question, "Why haven't the Dudley Sq. Merchants Association been apprised of these funds before and is there enough funds available to construct other facilities in the Square?"

In response to Mr. Britt, Dee Primm, Community Member explained the significance of the Ruggles Center Project to the City with particular emphasis on Roxbury and stated that the parking facility has always been intended because of the nature of the project. On this point Mr. Paul Chan, of Columbus Plaza Associates, explained the Ruggles Center Master Plan and project overview, with some reference to the importance of the MWRA tenancy.

Immediately following the meeting, Mr. Britt indicated that he will forward a letter of support to staff for the proposed CARD Amendment (see attachment #6).

In summary, the tone of the meeting was extremely cordial and no one registered any criticism of the City's request to amend the boundary of the Dudley Station CARD.

cc. Stephen Coyle, BRA
Rebecca Black, PFD
Andrea D'Amato, BRA
John Young, EOCD

CITY OF BOSTON
IN CITY COUNCIL

September 6, 1989

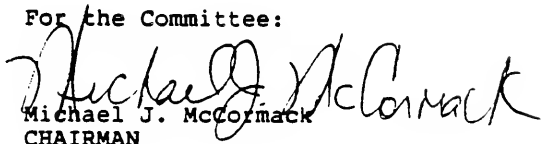

Dear Sir or Madam:

You are invited to attend the Boston City Council's Committee on Planning & Development hearing to be held in the Piemonte Room, Boston City Hall, 5th floor, Boston, MA on Monday, September 11, 1989 at 11:00 a.m. relative to the following:

Docket #1059- Order that the Committee on Planning and Development hold a hearing on the proposed boundary change amendment to the Dudley Station/Roxbury Commercial Area Revitalization District (CARD) plans.

You are cordially invited to attend.

APPENDIX - B
RESOLUTION OF LOCAL
GOVERNING BODY WITH
RECORDING OFFICER'S CERTIFICATION

CITY OF BOSTON

IN CITY COUNCIL

RESOLUTION OF COUNCILLORS BOLLING AND MCCORMACK

- WHEREAS: In accordance with Chapters 40D and 23B, Massachusetts General Laws, The Commonwealth of Massachusetts acting by and through the Secretary of Communities and Development may amend existing Commercial Area Revitalization District (CARD) plans; and
- WHEREAS: Such approval is a precondition for the use of various state financial incentives for commercial development that would be in the interest of Boston residents; and
- WHEREAS: The Dudley Station CARD already has been prepared to guide the redevelopment of the commercial area, is still operational, and satisfies the statutory CARD plan requirements; and
- WHEREAS: The Parcel 18/Ruggles Center and P-3 development of the amended Dudley Station CARD, the boundaries of which are described on pages 2 and 3 of the amended Dudley Station CARD plan, would forward the community development objectives of the City of Boston and would result in both the physical redevelopment of said District and the creation of employment opportunities consistent with the above stated statutes; and
- WHEREAS: The amended Dudley Station CARD is in a predominately commercial geographic area and implementation of the proposed CARD amendment will serve to prevent the decay of the area and will help deter the movement of commercial enterprises into previously non-commercial areas; and
- WHEREAS: The City Council's Committee on Planning and Development conducted a public hearing on the proposed amendment to the Dudley Station CARD and found overwhelming support for the amendment; therefore be it
- RESOLVED: That the Boston City Council, in meeting assembled, does hereby approve the proposed amendment to the Dudley Station Commercial Area Revitalization District plan and submits said plan to the Secretary of Communities and Development for approval.

In City Council SEP 13 1989
Passed

[Signature] City Clerk
